PROPOSED RESOLUTIONS

Item 6: Resolution on authorisation for the board of directors to resolve on issuances of shares following the acquisition of Clear Line

The board of directors proposes that the board of directors is authorised to resolve on issuances of shares in the company on the following terms and conditions.

The board of directors may exercise the authorisation on one or several occasions until the next annual general meeting. The total number of shares issued pursuant to the authorisation shall not exceed 5,383,211 shares. The board of directors may resolve on issuances of shares with deviation from the shareholders' preferential rights. If the board of directors resolves on an issuance of shares with deviation from the shareholders' preferential rights, the reason for the deviation shall be to use the shares or the issue proceeds as consideration (including earn-out) for, or as financing of, acquisitions of companies or businesses. Issued shares may be paid in cash, in-kind or by set-off.

The authorisation shall replace the remaining part of the authorisation granted by the annual general meeting 2024, of which only 754,100 shares remain after the set-off issue to the sellers of Clear Line resolved upon by board of directors on 6 November 2024.

The background to the proposal is that the company should be able to continue to act in accordance with its acquisition strategy following the acquisition of Clear Line. More information on the acquisition of Clear Line can be found in the company's press release regarding the acquisition, which was published on 29 October 2024 and is available on the company's website (www.fasadgruppen.se).

SPECIAL MAJORITY RULES

A resolution in accordance with item 6 is valid only where supported by shareholders holding not less than two-thirds (2/3) of the votes cast as well as the shares represented at the meeting.

NUMBER OF SHARES AND VOTES

As of the date of this notice, the number of registered shares and votes in the company amounts to 49,623,830. On 6 November 2024, the board of directors resolved, based on the authorisation from the annual general meeting 2024, to issue 4,208,283 shares to the sellers of Clear Line. Following the registration of the share issue with the Swedish Companies Registration Office, the number of shares and votes in the company will amount to 53,832,113.

The company holds 114,234 own shares in treasury as of the date of this notice.
